Investment 3 units walking to Sandy Beach

Introducing a captivating multifamily property nestled within walking distance to the renowned Sandy Beach in Rincon. This charming property boasts a three-level design, set on a generous 458 square meters of land. The property features two units with two bedrooms and one bath each, providing ample space for families and groups seeking a comfortable stay. Additionally, the property includes a cozy unit with one bedroom and one bath. There is a separate laundry room in the bottom level also. The multifamily property's location is truly unbeatable. The property's suitability for an Airbnb investment adds an extra layer of appeal. Rincon's popularity as a sought-after tourist destination ensures a steady stream of visitors throughout the year. With its proximity to Sandy Beach and the well-appointed units, this multifamily property has the potential to generate attractive rental income and establish a thriving vacation rental business.
